# Binding continued.

## Booklets/Magazines

*We can produce folded and stapled booklets, on many paper stocks including customer supplied materials. We can also impose files into booklet format, and prepare for other binding methods, including creating folded signatures for perfect binding, book sewing (nested signatures), and also for single sided methods such as concertina binding.*

*We can trim book edges, either on full bleed designs, or for customers hand made booklet blocks. Bring in any premade text block and we can tidy up the edges with our heavy duty guillotine.*

*Binding posts/screws and eyelet binding methods now available. Please ask for details.*

*Binding posts are suitable for documents of a few sheets up to 100s of sheets, and can be removed and re-screwed for easy additions.*

# Large format inkjet

Pricing based on ink coverage. BW or colour.

A0 printed on HP T2500 inkjet.

# Christmas cards

All of our Christmas cards are printed on 350gsm high quality matte card stock . Gloss available on request.

You can select any font, font colour or logo that you wish to be printed on the inside and outside of your cards. We can even print different names on each card for the recipients if you send us a name list (lists should be supplied in word or excel format, one name per line).

We can use your own design or photo, or select from a range of our pre-made cards.

Please contact us for more information.
